

Community Cupboard

The Community Cupboard has 2 main aims
To reduce food waste and to tackle food poverty

It is open to anyone to access whether to make donations or to receive items that they need.

There is the store cupboard, fridge & freezer, so plenty of variety of products. We also have toiletries available.

There is no need to book an appointment, anyone can just turn.
Our friendly volunteers make everyone feel welcome and offer help where it is needed. Visitors are able to select their own items, without having to ask for anything.
