

St Peter's CE Junior School

Learning and living life in all its fullness

Issue 4: Friday 2nd October, 2026

Dear parents and carers

We've been a little reduced in number this week as part of Year 6 travelled down to Calshot for the annual residential trip. Calshot holds a special place in the hearts of those who have been over the years and, when you see the pictures coming back, it's easy to see why! There's a taster of some of the fun they've had on page 2, but you can also head to the 'Latest News' page on the website to see more.

Meanwhile, back at school, we've had lots of life in all fullness adventures with those who stayed with us, including chocolate lollies, Blooket quizzing fun, some fantastic natural art, a board games afternoon and a movie session. We've also spent this morning at the park making the most of the slides and swings. Both groups of children have been absolutely fantastic. I've heard some really fantastic feedback from the Calshot staff about the children's have-a-go attitude and excellent behaviour; similarly, a parent at the park this morning made a point of singling out our children for the lovely way they interacted with their toddler on the slide, encouraging and supporting them to have a go.

Next week we look forward to showing off more of our children's achievements and wonderful behaviour, as we welcome our Hampshire advisor for her annual visit, take part in a drumming workshop in Years 4 and 6, and take a group over the church for the first 'Meet and Eat' this year. Another busy week beckons!

Have a great weekend,
Mr Hogan-Fleming

Mrs Collinson's

Lunchtime

Wellbeing Club

When? Lunchtimes, 12:45-1:10, Tuesdays and Wednesdays.

(You don't need to come for the whole time, just come when and for as long as you need to.)

Where? The benches on the playground or in the Library (depending on the weather)

Who? Open to all children, in all years. Only 8 children can attend the club at a time.

You must ask an adult out at lunchtime to come to the club, and you must wear one of the rainbow wrist bands which will be with a member of lunchtime staff. If all the bands are gone, you will have to wait or come back later when there is a space.

What? Nice activities to distract, recharge or entertain, which will change each week.

Activities may include Lego, arts and crafts, or games. It is also a good opportunity to talk about things if you want to.

Why? Wellbeing is all about looking after yourself. You may want to come to wellbeing club for a number of different reasons:

- Some quiet time away from the hustle and bustle of the playground
- To distract yourself when you feel yourself becoming frustrated
- To be able to talk about feelings you've been having lately
- To do something you enjoy when you're feeling sad or worried
- To spend time with other people and maybe even make a new friend
- To just come say "Hi!" to Mrs Collinson ☺
