

How does trade impact economic growth globally?

We are learning about jobs in our local area and comparing them to jobs on the Ivory Coast. Choose one of the activities below to find out about our local area. Choose one of the projects complete it and bring it to school on 14th July

Fairtrade FAIRTRADE scavenger

hunt.

How many different fair trade or rainforest alliance products can you find?

Collect wrappers, labels and packaging.

What different countries do they come from. Label the different produce they come from on a world map.

Research fair trade and rainforest alliance. What is the difference between them?

Design a poster to advertise and encourage people to buy fair trade or rainforest alliance products.

Interview an adult about the job that they do. Find out the type of job they do and what industry they work in. What hours do they work? Do they trade anything? How many people do they work with?

Record your findings as:

A PowerPoint presentation

A booklet or leaflet

A speech
