THE SCHOOL BELL

Friday 5th June 2026

Dear Parents and Carers,

Welcome back to the final half-term of the year. It's a shame the nice weather didn't accompany the children, but I'm sure that it too will be bouncing through the gate in the mornings!

This week's newsletter comes to you alongside a trial of the new integrated communications and homework email. We will still send out short-term or urgent updates as they are needed, but will do our best to send less-pressing emails on a Friday.

We hope that this format, the storage of letters on the website, and a dedicated homework page for the children, will be of benefit to both parents/carers and children.

Within the 'whole school letters' section of the update, and on the website, please take particular note of the 'Keeping Safe in School' practices coming up next week.

There's plenty to digest in all of that, so that's it from me for this week!

Have a great weekend,
Mr Hogan-Fleming

Pictured above: Y6's Greek 'hook' day, complete with yummy food tasting, and a First Aid workshop enjoyed by all of upper school.

For Year 5's 'Play in a Day, our teachers split us into four groups for the four acts of the play. One group rehearsed in the hall with an actor called Ben while the other group completed activities in class. He was really funny! He was the main character in the play, called Ned. He was trying to get into a Secret Society and had to answer four questions but kept getting them all wrong! He drank a time travelling potion and ended up in ancient Egypt. We all had different characters to play, for example a farmer or a guard. In each act a different story was told based on the book 'Ned' was reading and our characters got involved with helping Ned answer his questions. You'll be pleased to know we all made it 'home' in the end and Ned was accepted into the Secret Society! *By Daisy, Rudy, Hubert and Taylor*

WATER SAFETY

Stay safe. Have fun. Enjoy the water.

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.
MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

- EVERYDAY RISKS AT HOME**
Including bath time safety and garden hazards.
- STAYING SAFE OUTDOORS**
Such as the beach, around rivers and in open water.
- PRACTICAL SAFETY ADVICE**
Including the Water Safety Code and how to "Float to Live".
- AGE-SPECIFIC GUIDANCE**
For babies, young children, older children and teenagers.
- WHAT TO DO IN AN EMERGENCY**
Including simple first aid steps and where to find further support.

Small actions, big difference

- Keep children within arm's reach of water.
- Choose safe places to swim.
- Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
