Learning and living life in all its fullness

THE SCHOOL BELL

Friday 12th June 2026

Dear Parents and Carers,

I have a very simple message this week: please take note of the information from FOSP and sign up for a volunteering slot for the summer fair if you are able to.

Our finances have been delicate for some time and we are about to enter a very critical year of low funding (based on pupil numbers from previous years). The work of FOSP is critical to ensuring we can provide extras we sometimes take for granted, including online resources, sporting equipment and, if we can raise enough next year, replacements for our ageing computer equipment which all go towards providing your children with the learning experience they deserve.

FOSP have a skeleton committee, assisted at the moment by Mrs Collins and Miss Taylor, so we simply can't run the event without your support! Summer Fairs are a wonderful community occasion and we are looking forward to spending the afternoon with you all on 27th June.

Don't forget that, as part of the preparation, there will be the traditional two non-uniform days over the next two weeks in exchange for bottles (week 1) and cakes (week 2). These will both be on THURSDAYS this year due to trips on the Friday.

Have a great weekend,
Mr Hogan-Fleming

Important re visiting cat

A white and ginger cat has been noticed in the area this week. He seems very friendly, even venturing onto the playground and through the automatic doors into the office the other day before he was discovered investigating Humphrey's bed and escorted back outside!

The cat is quite friendly to adults, but is wary of children and we understand that a couple of children have approached him and been scratched or nipped near the church and the school driveway.

Please be careful and ask children not to go too close if you see him.

FOSP Summer Fair— Please Help!

So far we only have 19 of 88 slots filled for the summer fair. Please sign up to even just 30 minutes on a stall, to make this a fantastic fundraiser for the children at our school. [Please sign up via the link in the email and know that you're really making a difference!](#)

Empathy Day

Everybody took part in 'Empathy Day' activities yesterday, learning about recognising and appreciating feelings in other people. We tried to look through other people's eyes to feel their feelings. We also took part in a 'draw-along' to create some amazing hedgehog designs (Mr Hudson was very proud of his!) which represent that someone might look 'loud,' but they might be hiding another emotion- so it is important to check on them.

Athletes in Action!

At the end of last week, over 60 children attended the Aldershot stadium for our local athletics competition.

The afternoon was full of events in both track and field, and our young athletes were superstars in every sense, trying their best and also cheering on their teammates in their events.

Well done to everyone who competed. Representing your school is a real privilege and it was wonderful to see everyone rising to the challenge whilst also embracing the spirit of teamwork too. It's certainly true that TEAM: Together Everyone Achieves More!

What a fantastic time we had at our music concert on Wednesday! The whole school, plus bands from Salesian and The Wavell, came together in church for a fantastic afternoon full of sound and song. Each year sang individually, as well as songs from the choir and the guest bands. There was rousing and emotional music including 'You Will be Found' and 'Proud,' plus a bit of rocking out too, especially 'Are you Gonna Go My Way,' which had grown-ups and children alike tapping their toes around the church!

Thank you so much to St Peter's Church for hosting this fabulous showcase of our children's talents, to the children for their effort and enthusiasm, and to all the staff, especially Miss Wilkinson, our music lead, who have all worked so hard to bring the event together.

A MESSAGE FROM BOHUNT SCHOOL—FARNBOROUGH:

COFFEE MORNING & FAB PARENT EXPERIENCE

For Parents and Carers Only

Dates: 15th June, 22nd June or 13th July

Time: 8:45am – 11:10am

We are delighted to invite parents and carers to attend one of our Coffee Morning and FAB Parent Experience events.

The morning will begin with refreshments and an opportunity to meet the Head of Year 7, the SENDCo and members of the Senior Leadership Team. This will be followed by a tour of the school, giving you an insight into our facilities and learning environment.

Parents and carers will then have the opportunity to join lessons and experience a morning in the life of a student at Bohunt School. This unique experience will provide a first-hand insight into teaching and learning, daily routines, and the vibrant school community that our students enjoy every day.

We look forward to welcoming you to Bohunt School and sharing what makes our school such a special place to learn and grow.

We look forward to seeing you there!

WATER SAFETY

Stay safe. Have fun. Enjoy the water. 

DROWNING IS ONE OF THE LEADING CAUSES OF ACCIDENTAL DEATH IN CHILDREN IN THE UK.

MOST INCIDENTS ARE PREVENTABLE.

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

EVERYDAY RISKS AT HOME

Including bath time safety and garden hazards.

STAYING SAFE OUTDOORS

Such as the beach, around rivers and in open water.

PRACTICAL SAFETY ADVICE

Including the Water Safety Code and how to "Float to Live".

AGE-SPECIFIC GUIDANCE

For babies, young children, older children and teenagers.

WHAT TO DO IN AN EMERGENCY

Including simple first aid steps and where to find further support.

Small actions, big difference 

-  Keep children within arm's reach of water.
-  Choose safe places to swim.
-  Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
