

St Peter's CE Junior School

Learning and living life in all its fullness

THE SCHOOL BELL

Friday 3rd July 2026

Dear Parents and Carers,

There is a sort of 'Circle of Life' feeling in primary education at this time of the year. We saw the full loop this week as we welcomed our new Year 3 for their transition events, whilst also wishing Year 6 well as they headed off for transition days at their new schools. It was brilliant to see the enthusiasm and excitement of our new youngest children, as so many different schools come together to form one St Peter's, but naturally we are sad to see Year 6 coming to the end of their time with us. When you see Year 3s who had their Year 6 siblings side by side, you really feel the sense of growth in just those four short years- literally and in spirit!

Things to be aware of now:

- don't forget to scan down the WHOLE of the Friday Comms email as there may be important updates in the 'Whole School,' 'Clubs' and 'Year group' letters sections. These are headlined- you don't need to click the links if there's nothing mentioned.
- The replacement 'mini-fair' is on Friday 17th July after school. Come and have some mini-fun!
- Sports Day is on Monday from 9.15am. Don't forget your picnic lunches and the chance to leave after the picnic if you wish to do so.
- Lost Property is currently being sorted and will be out by the playground gates soon, on different afternoons. Please have a look. All named clothes will be returned to children. Anything un-named, unclaimed or mouldy will be disposed of at the end of summer term so that we can start the new year afresh.

Have a great weekend,

Mr Hogan-Fleming

ENGLAND vs MEXICO

For clarity, whether you choose to pull an all-nighter or not (all respect if you can manage this!) there will be no delayed start to Monday because it is our own huge sporting event- Sports Day!

Children (and you) only have to make it to 1pm though, so let's all have fun together... and a nap later! (or watch the highlights before school- that way you get to skip the hydration breaks says Mr Hudson!)

FOSP Mini Summer Fair—Friday 17th July—3.30-5pm

We have arranged to hold a Mini Summer Fair on Friday 17th July at pick up and we hope you can make it! We'll have face painting, adult and kids tombolas, drinks, sweet and ice cream, a book stall and guess the name of the bear & guess the number of sweets in a jar stalls too. The fair will operate with the games token cards and these can be purchased at the entrance and spent on the majority of stalls. Hope to see you there!

Term Dates: note changes and important additions in red!

- Athletics - Tuesday 7th July
- Crochet - Wednesday 15th July
- Debbie Dance - Thursday 9th July
- Choir - Thursday 9th July
- Judo - Friday 10th July

Attendance—Hot Classes Update

As we said to children this morning, we can't judge attendance for last week because of all the hot weather keruffle... but we did have some fun with a 'top 8 hottest rooms' in assembly instead!

To much amusement as we counted down, we learnt that 4MS is the place to be on a hot day at a balmy, spring-like 29°C on the hottest day-Thursday.

Meanwhile, if you like the tropics, the top 3 were **5T at 31.6°C; 3H at 32.2°C;** and finally **3BP** out in front at a toasty **33.8°C!**

However, the endurance award actually belongs to our two ELSAs, Mrs Adjovi and Mrs Collisson, as their ELSA Room reached 34.2°C on Thursday. Who needs a European Holiday when you can just take a sunbed up to the top floor!

On a serious note, thank you to everyone for your patience and support, as well as to the staff for finding lots of different ways to keep cool, move rooms and keep going wherever possible.

Roses are red their stalks are green, they are very beautiful, they are soft and supreme.

Hydrangeas are bright with deep relaxation, they are for sure the flowers of the nation.

Soft, vibrant and colourful the rose has bloomed, a peaceful calmness, the tallest over the gloom.

Ever lasting prickles, as massive as the moon, bright gentle happiness has flourished, yet, has bloomed.

Samuel came to show me his writing earlier this week, and his descriptive language was just so lovely I said I'd have to include it in the newsletter this week. What a fabulously floral piece of poetry Samuel – well done!

Mr Hogan

More choir... they're very busy you know! This time, they've been singing at the Rushmoor Schools' Choir Festival at the Wavell. All reports indicate another fantastic and well-received performance. These kids are genuinely superb and have been an absolute credit to the school all year – well done everyone, and a huge thank you to Miss Wilkinson and all the other staff who have given up time to help them along the way.

Sometimes "you have to be a little bit naughty" ... except when it comes to taking photos inside a theatre, so this is all we've got from the choir's amazing night out to Matilda! We're so glad you all had fun – but we are also very proud as several passers-by commented on the excellent behaviour of the children. To quote a lady sitting outside a café: "Your children are delightful!" We think so too, but it's nice to hear from the public as well!

Please note that our ginger cat visitor has returned a few times this week. He looks very friendly but is very nervous around people.

Please try to resist the temptation to stroke him as he is easily scared and may scratch or try to bite you. Please do not let him in if you are opening the door – he seems to really like the building!

Zack — Football Hero!

Zack has just completed his second season as the number 1 goalkeeper at Aldershot Town FC and, due to his hard work and performances, he has been offered another one year contract to represent the club in the forthcoming season. He was also awarded the Players' Player of the Year trophy at the Club Presentation Night for the 2nd straight season. He and his team mates attended the Aces National Tournament the past weekend unfortunately going out at the quarter final stage after some strong performances. It's great to hear about your success and dedication Zack- fantastic work!
